## UC100/UC200/UC500

It's a hassle to operate all the necessary devices one by one to watch a movie. If you set up macro to create your own activity menu, just one click is enough.

Macro is also useful function for many cases in daily life when needs to operate all devices together at one time, such as going to sleep, going out and others.

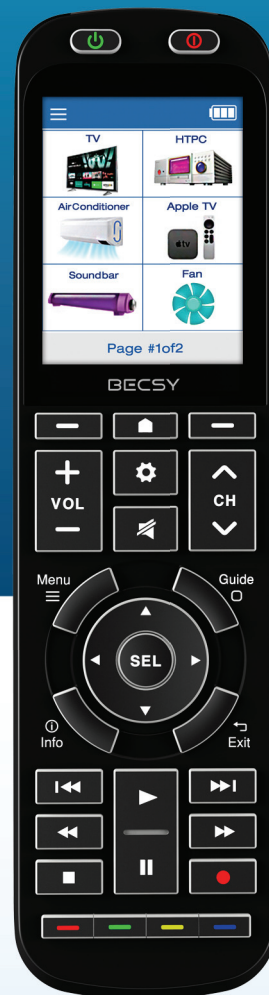

## Universal Remote Controller

### ■ For your perfect smart life

If you're tired of various remote controls, BECSY will solve it. UC100/UC200/UC500 integrate all devices into one regardless of device's type by supporting various ways of IR, Bluetooth.

# Smart Home & All your remote controls in one
